PAYMENT POLICIES

- **Payment Terms:** It is the customer's obligation to know and understand Ovations Dance Studio's payment terms at the time of enrollment for each class/session.
- **Payment Period:** The total tuition cost has been divided evenly into three payments due Aug, Nov., & Feb, regardless of the amount of weeks in each particular trimester. **Those students continuing into the 2nd trimester (Dec. - Feb.) are contracted to pay the 3rd trimester tuition payment whether or not the dancer continues through into the 3rd trimester (March - May) as we can no longer fill the spot due to how far into the dance curriculum the class is at that point of the year.**
- **Late Charge:** If your payment is received after the 7th of the month due, you will be charged a \$10 late fee. If tuition is not received by the end of the month that tuition is due, the dancer will not be permitted to enter the classroom and the class spot may go to the next person on the waiting list.
- **Returned Checks:** There is a \$25 fee on all returned checks.
- **Costumes:** **If your dancer is not participating in the spring show or is opting out of performing with a particular class, and a "No Recital" card is not submitted by the cut off date, you will be responsible for the full cost of the costume(s), regardless of whether a costume has been paid for or not.**
- **Drop-out Policy:** In the event that a dancer decides not to continue in any class, you will be held responsible for contacting the office to notify Ovations of the change in enrollment. In the event that a student misses three or more consecutive classes, Ovations Dance Studio reserves the right to fill that dance spot without refund.
- **Outstanding Balances:** Any outstanding balances are subject to being reported to a collection agency.
- **Default:** Should there be a default made on any payment, the student **will not** be permitted to participate in class activities **nor** enter the class environment.
- **Refunds:**
There are no refunds for tuition, costume deposits or balances, and registration fees once paid.
