

Practice Makes Perfect

If you would like to order your dancer's music on CD so they can practice, make sure you return the "CD Request Card" included in this Newsletter. Please be advised that we make cuts, speed changes, and add special effects to most of our dance music. Having a copy at home encourages your dancer to practice at home.

The cost is \$5 for all your songs on one CD.

CD requests are due:

FRIDAY, MARCH 19th
